About BGCCVI

Formed in 1971, BGC Central Vancouver Island provides experiential learning environments that inspire children, youth and families of diverse abilities to acquire & develop the critical cognitive, emotional, and social skills needed to become resilient and contributing members of society. With 14 club locations serving over 2000 members every year across the Central Vancouver Island region, BGCCVI is the Island's largest childcare provider and is trusted by more families than anyone else.

We are proud to be part of BGC Canada who serve children, youth and families from Coast to Coast. Proceeds from community rentals will go towards our programs and services that benefit children, youth, and families across Central Vancouver Island.
